

FARMAATSIA TEADUSSEMINARID

Seminars in Pharmaceutical Sciences

SÜGIS/ AUTUMN 2026

Ettekanded toimuvad neljapäeviti kell 16.15, kui pole teisiti ette teatatud (aud. 707) / Seminars will be held on Thursdays starting at 16:15, unless otherwise mentioned (Aud. 707).

N/Thu 10.09.26 Teadusettekanded BBBB konverentsil 2026. Scientific Presentations at the BBBB conference 2026

Dr Liis Preem / Researcher; Kelli Randmäe/Junior Researcher, Karoliina Inno/ Junior Researcher, Hanna Marta Nellis/Junior Researcher, Institute of Pharmacy (UT)

NB! Aud. 702. K/Wed 16.09.26 Külalisüliõpilaste ettekanded Türgist ja Saksamaalt. Presentations by Visiting Students from Turkey and Germany*

Ege Kerem Süer, pharmacy student (Zonguldak Bülent Ecevit University, Zonguldak, Turkey)

Nils Jaskolla , 8th semester pharmacy student (University of Würzburg, Bavaria, Germany)

N/Thu 08.10.26 Immuunneutraalse RNA-kandursüsteemi arendamine. Development of immune-neutral RNA delivery platform.

Prof Ana Rebane, Institute of Biomedicine and Translational Medicine (UT)

N/Thu 22.10.26 TBA

N/Thu 12.11.26 Mida me tegelikult ehitame Ida-Virumaal: projekte, ettevõtteid või tehnoloogilisi nišše? From Just Transition to Frontier Innovation: Emerging Technological Niches in Ida-Virumaa

Prof Kadri Ukrainski, School of Economics and Business Administration, Chair of Public Economics and Policy (UT)

N/Thu 26.11.26 TBA

N/Thu 10.12.26 Rakuvahelise elektronide ülekande vahendatud patogeensus ja immuunogenees *Staphylococcus aureus* biofilmides. Extracellular electron transfer -mediated virulence and immunogenicity of *Staphylococcus aureus* biofilms

Dr Obinna Markraphael Ajunwa, Post-Doctoral Fellow, Institute of Pharmacy (UT)

N/Thu 17.12.26 CHAIN: Raviaineid sisaldavad hübriidsed fotovananemisvastased ja immunoteraapilised nanoosakesed mitte-melanoomse nahavähi ja fotovananemise raviks. CHAIN: Drug-Loaded Hybrid Anti-Photoaging and Immunotherapeutic Nanoparticles for the Treatment of Non-Melanoma Skin Cancer and Photoaging.

Dr Noor Ul Ain, Post-Doctoral Fellow, Institute of Pharmacy (UT)

Seminaridel on võimalik osalemine ka Teams vahendusel. *Participation via Teams is also organized and link provided.* Kui soovid oma töö tulemusi näidata või konverentsi ettekannet harjutada/esitada, siis palun võta ühendust seminaride läbiviijaga (karin.kogermann@ut.ee). If you would like to present your results/conference presentation, please write to karin.kogermann@ut.ee.

Farmaatsia teadusseminarid on osa õppeainest „Farmaatsia teadusseminarid XI“ (1 EAP; ARFA.02.159). Pharmacy Research Seminars are part of the course “Pharmacy Research Seminars XI” (1 ECTS; ARFA.02.159).

*- teine auditoorium ja seminari aeg / different auditorium and time for the seminar
